Mirror Trims

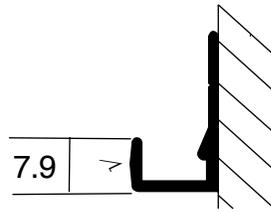

Stylmark's Mirror Trims offer beautiful options for protecting and trimming mirrors and mirrored walls. Our J-Molding may be used at the top and bottom of a floor to ceiling mirror application. When a horizontal or vertical accent is required, use one of our two Division Trims. Mirror Trim products may be ordered in 3657.6mm stock lengths, or pre-cut to your desired length.

To install, simply position the mirror into the top channel, and then lower it into the bottom channel.
